## Parent/Guardian Release Form

In consideration of being allowed to participate in this project sponsored by RISE Ministries and in consideration of the benefits that may come from this experience, I hereby release RISE Ministries and its present and former directors, employees and volunteers from all claims and liabilities of any kind, whether known or unknown, which arise from or are connected in any way with my child's participation in this trip.

If for any reason my child is unable to complete his/her stay at the project, I assume full responsibility for the expenses incurred for his/her return home. I am also aware that any lack of respect for authority, including the use of abusive language, violations of site smoking policies, and failure to comply with behavioral expectations may result in his/her being sent home at my expense. I understand that any use of alcohol, weapons or drugs (not prescribed by a physician) will automatically result in his/her being sent home at my expense.

In case of an emergency, I hereby authorize a leader of this event, as an agent for me, to consent to: an x-ray examination, medical, dental or surgical diagnosis; treatments; hospital care advised and supervised by a physician, surgeon or dentist (as appropriate) licensed to practice under the laws of the state or country where services are rendered, either at a doctor's office or in a hospital. I fully expect my emergency contact/I will be contacted as soon as possible.

I understand that this document constitutes a full and complete waiver of all possible claims for any act of omission, including claims for negligence regarding injury or property damage, arising out of my child's participation in the trip. I understand that this release applies to, covers and includes unknown, unforeseen, unanticipated, and unsuspected damages, losses or liabilities and the consequences thereof, which result for the matters herein before inferred as well as those now disclosed and know exist. The provisions on any state, federal, local, provincial or territorial law or statute providing in substance that releases shall not extend to claims or damages which are unknown or unsuspected to exist at the time are hereby expressly waived by me.
